SEASIDE CENTRAL SCHOOL ——— Last Graduating Class

Dedication

-:-

We, the members of the eighth grade, graduating class...the last class to graduate from Seaside Central School---wish to dedicate our Annual to our school; and, in so doing, to express our appreciation to the faculty, the Superintendent, and the School Board for our pleasant memories in this place.

We thank Mr. Greeley our Coach and Arithmetic teacher, for his excellent work this year; and Mr. Gorg for his marvelous work in the Band and Glee Club; and all our teachers for the time and patience they have spent on us.

Through the years, we will remember!

Farewell, Central.....

OUR SCHOOL

A school is a building that we usually don't think of in the ordinary sense of the word, but if we would give it some thought we might realize that our own Central School has quite a history behind it.

In the years 1921-1922 our school was being built, and by the following year it was well in use. It was built at a cost of \$72,000.00, and would probably cost much more than that today.

In the past years it has been improved a little with low pressure steam instead of hot air heat, and has new floors in the rooms.

At first when the school was built only 12 rooms were in use. Later they used 16. Now we have put in two more rooms, and still it is crowded.

You probably have the impression that it is a brick building, but it isn't. It is a frame building with brick veneer on the outside.

Not only does our school have an interesting history, but many well-known Seaside people have graduated here. A partial list of them includes Postmaster Roland Berry; Dairyman Bill Pomrose; Fred Wheatley; Chester West; Bob Gassner; Douglas Hurd; Father Joseph Spear, Professor at Mt. Angel; Vern Raw; Ted Dichter Jr.; and many others too numerous to mention.

You people who started to school here the first year are probably now about thirty-three years old; and you first graduates in the class of '23 must be around forty now. We know many of you now have children going to school here.

The school was built in 1922, just after the 1st World War. Since then it has seen many interesting things in our country's history -- the big depression; a Second World War, in which many Central graduates served, and some killed; finally the end of the war, and the present time of world unrest; and poor old Central finds it has outgrown itself, and next year share its kids with another building.

The old school will still be a school, though, and we, who now join its long list of alumni wonder just what other changes it will see before it is finally done.

Old Central, we salute you, our Alma Mater!

SOCIETY

SOCIAL"DOINGS" ---- 1948-49

The Booster Club had a Halloween party and all the members were invited. The Girls Glee Club planned a beach party for the first and second string basketball teams. We ended up having it in the Gym.

Programs put on by the eighth grade -- the Thanksgiving program was written and produced by the eighth grade, with the help of Mr. Gorg. The music week program was put on by the Girls Glee Club and Boys Band, consisting of seventh and eighth graders.

The May Queen festival was put on by the Letterman's Club. Those elected were as follows: Jean Brown Queen; Eva Carlson, Princess; Lynn Luthe, Princess; Doris Bradburn, Princess; and Mary Black, Princess. Jean And Lynn were the only eighth graders elected. The Queen and her royal court were crowned by Samuel Dabcock, Supt. A program was put on for her majest and court. It consisted of a Maypole dane, and group singing in the traditional Mayday manner.

F A S H I O N S

Long, straight skirts with pull over or cardigan sweaters are worn mostly by the girls. Walking up and down the halls I see mostly armishaw shoes. I also see three or four pairs of Spalding shoes. Levis and white cords are worn by the boys.

The shoes worn are a mixture, but it seems as though I hear a noise coming down the hall --- It's Bob Teevin and Mike Manion, with their two inch soles.

G O S S I P

Three cheers for Corlyss McCullough and Leonard O'Leary, who have been going steady longest this year. It's rumored around the halls that over half of the Students hate to leave our beloved school. Here is the opinion of some of the eighth grade boys and girls on the question "What do you think about leaving Central?"

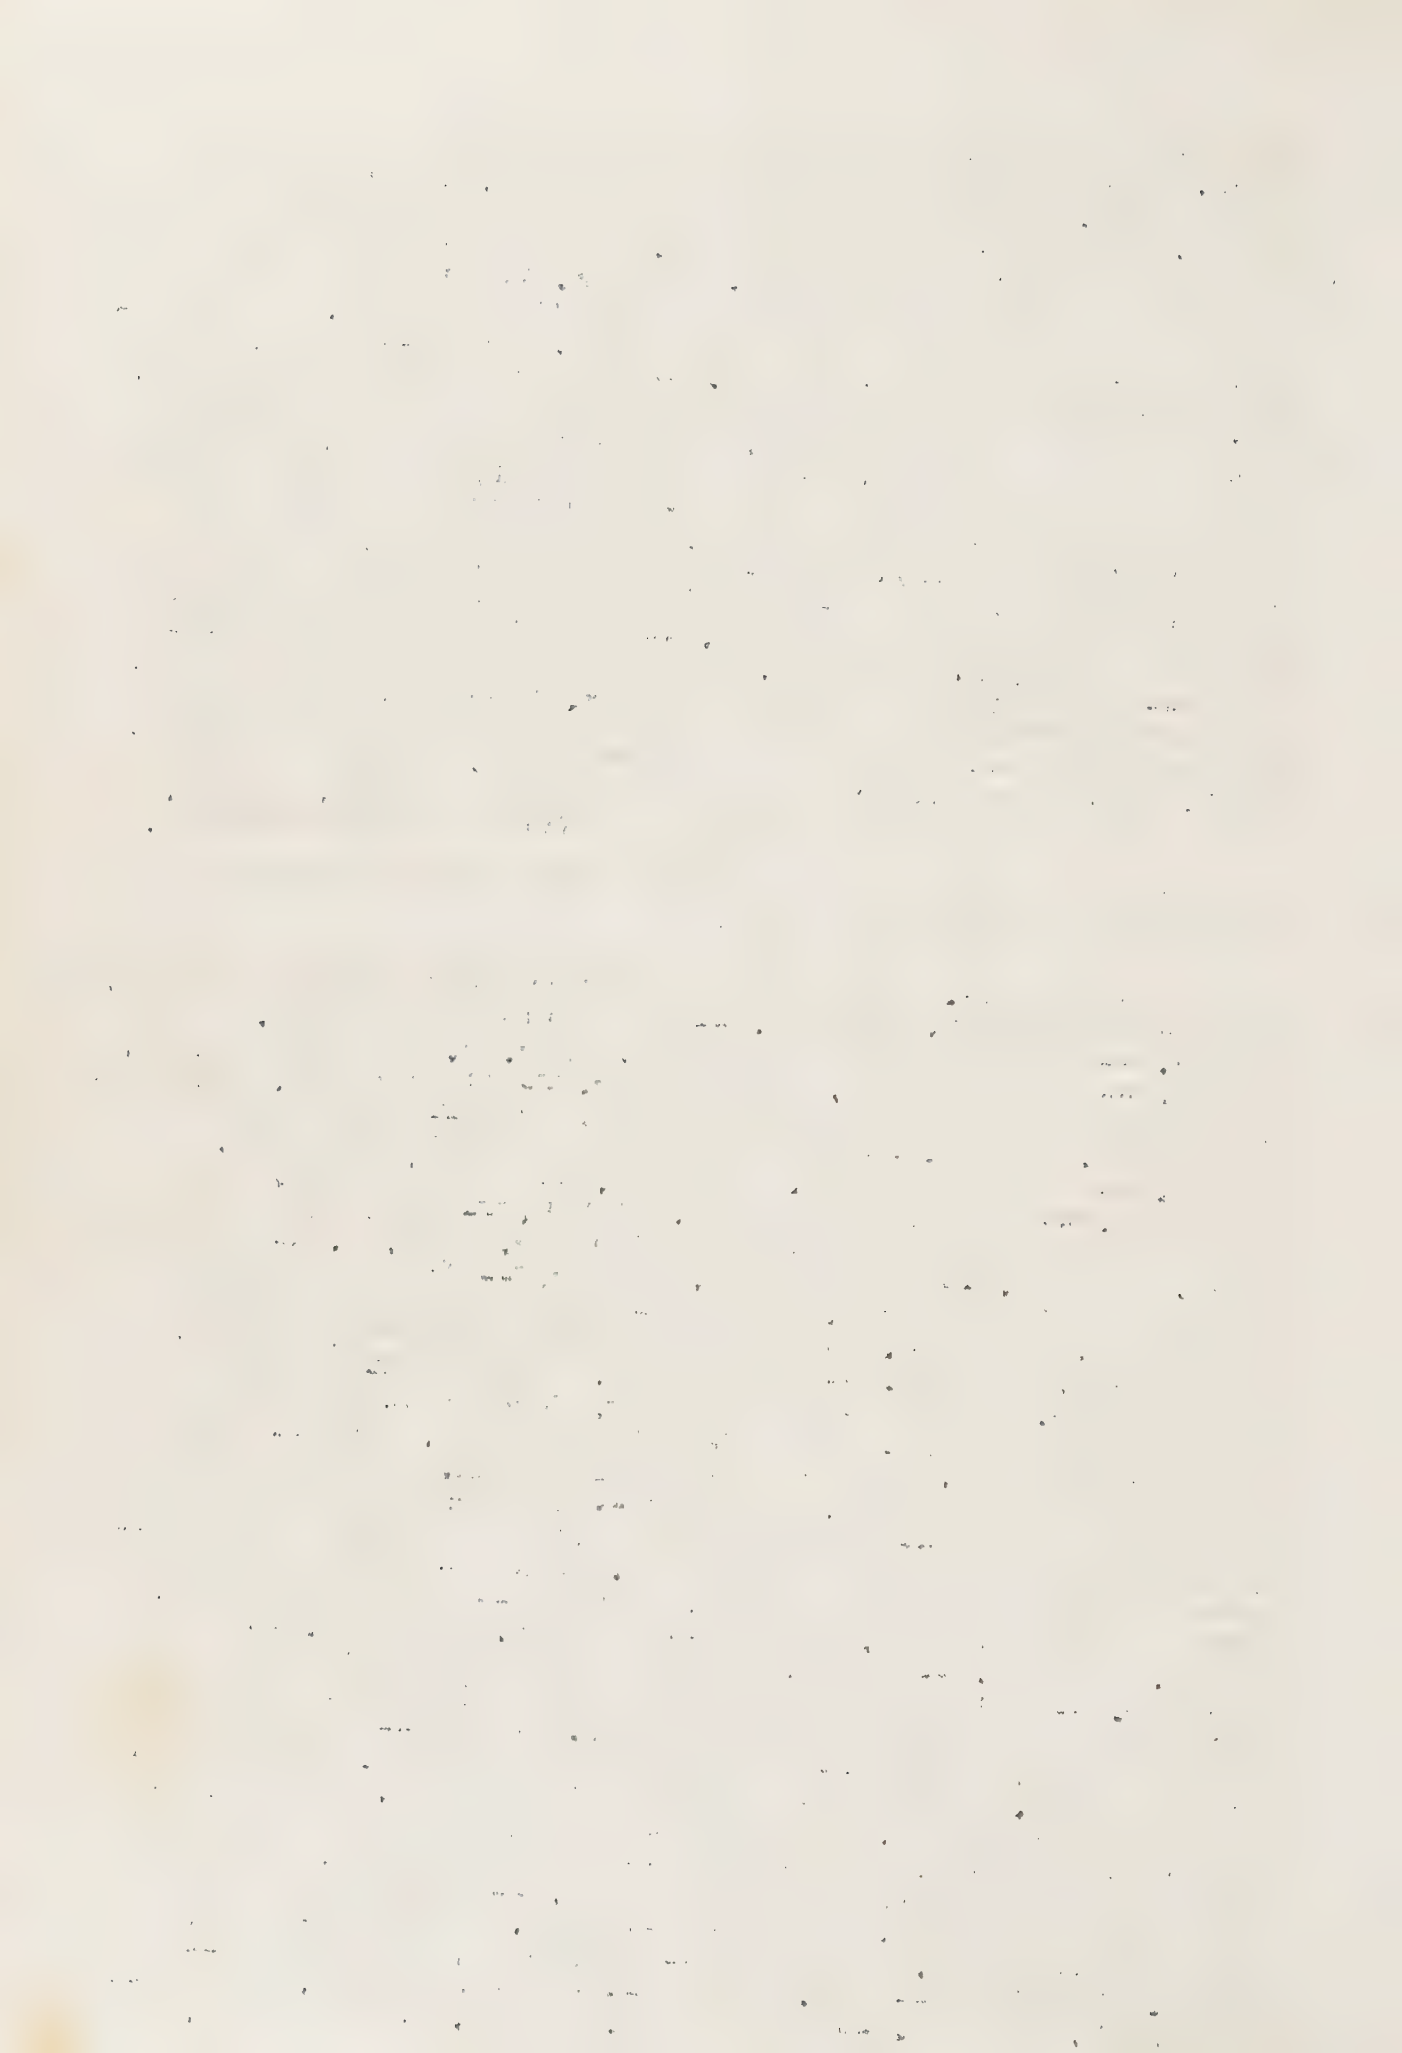

Bev -- Don't rush me, I'm in no hurry. Lynn -- had too much fun this year. Mike -- We're leaving a good school with two grand 8th grade teachers. Janet -- I don't know. Lelan -- glad to leave it. Verone -- I don't know. Arnie -- glad to get on to high school. Shirley -- I hate to leave. Wilbur -- nothing. Eve -- won't make much difference. Sturat -- want to go to high school. Bernice -- I don't know. Arvid -- we'll be the last ones to go through this school. Roberta -- glad to get to high school. Nickie -- I don't want to. Lorraine -- the sooner the better. Charles -- I don't like to leave. Carla -- I don't want to go because I've had too much fun this year. Bob E. -- I don't know. Marilyn -- glad to get through. Jimmy -- glad. VeDa -- I don't want to. Leonard -- good riddance. Gloria -- I don't want to. Jerry Pattison -- good. Phil -- good deal. Jack -- I don't want to. Dean -- I ain't going to till next year. Stanley -- I don't know. Jess -- I'm gonna bawl.

Murl -- I think it's real sad. Dick Grafton -- I don't know. Loretta -- I don't want to. Bob H. -- I'm glad I'm graduating. Greta -- I'm glad to get out of the eighth grade. Tommy -- I don't want to. Joan -- I don't think it'll be very much fun to leave it. Dick E. -- I'm glad of it. Mary Anne -- Gee, I don't know. David -- Whoopee. Corlyss -- I don't want to leave but I hope I do. Gary -- happy. Vivian -- I'm glad to. Bob G. -- I'm pretty happy about it. Ratty -- I don't want to leave it because of all the things we've made out of this year. Joe -- pretty happy. Jackie -- I don't know. Dick B. -- This is the only year I liked (this is the year I get out). Jean -- I don't want to leave this school. Orvie -- I don't know. Rosemary -- Oh, I don't know (half and half). Don -- I like to play basket ball at the new school. Inez -- I don't want to leave it. Alan -- I don't want to leave. Bob T. -- I don't want to leave--- had too much fun. Jimmy H. -- I had too much fun this year. Jake -- I don't want to leave either. Jerry -- I hate to leave this school but I don't want to stay in the 8th grade. Virginia Ross -- I have too much fun here. Vernon -- good deal. Alice Ann -- I've like being here too much. Bob W. -- Sure I want to leave this school. Ronald -- 'good riddance.

WHAT DO YOU SEVENTH GRADERS THINK ABOUT GOING TO THE NEW JUNIOR HIGH SCHOOL NEXT YEAR?

Tommy -- will do. But I wish the ninth grade would be there. Rod -- no comment. Dick S. -- no little kids around. Don D. -- going to be pretty good. Bob. N. -- don't ask me. Bob B. -- I don't know. Lawrence M. -- I'd love it. Billy -- just depends on the science teacher. Don -- the railroads too close. Bob F. -- wait ten years and I'll tell you. Bob B. -- it's all right. Allan B. -- I don't know. Ronald M. -- I guess it's okay. Bob R. -- it's okay, but they shouldn't put the sixth graders in. Rob. W. -- I don't know. Dick M. -- same prison. Rob M. -- if the band will be there it'll be okay. Buddy -- I think the new gym will be better. Billy S. -- I won't be here (shucks). Nick -- no comment. Dick S. -- better gym. Douglas -- be closer to my house. Walter -- no comment. Janice -- it'll be different all right. Veda -- it'll be nice. Eva -- I won't be there (sorry). Sue Ann -- it'll be fun. Arlene -- I have to think about it. Beverly -- do I have to tell you right now? Jack -- if I get there I'll be proud. Walter -- I think it's a very nice building. Mike -- as long as the gyms okay I'll consider going. Verlyn -- I won't be here. Gary -- I'll like it. Larry -- perfect. Jimmy S. -- seems funny. Mary B. -- if Mr. Greeley is teaching I'll go. Doris B. -- it'll be fun being an upper classman. Geraldine -- it'll be fun to break in the school. Joyce -- I think it'll be fun to go. Wanda -- I think it'll be great. Roberta -- I'm not sure. Elaine -- I think it'll be fun. Mary C. -- I think it'll be un. Shirley -- I've never been to a brand new school before. Carol Jean -- new experience. Jane -- lot better than this place. Betty W. -- probably be a lot nicer than this one. Florence -- okay. Valeta -- good. Rose Ann -- swell. Jeanette -- wonderful. La Raine -- gradn. Charlene -- fun. Nancy -- won't be there. Janet -- wonderful. Joan D. -- not so hot. Pat C. -- it's okay.

(continued on next page.)

Darhle -- no comment. Likkie -- I won't be here. Joan -- I don't like the idea. Corrine -- I like the idea. Carole -- I am going to enjoy it. Phyllis -- it will be a lot of fun. Jimmie Pearce -- I am going to have fun. Lillian -- I don't know.

We couldn't ask quite all the seventh graders what they thought about the new school, because some of them were absent, etc., but maybe this will give you some idea of how they feel about it.

VALEDICTORIAN AND SALUTATORIAN SELECTED

In checking all grades for the past year to determine the two honor graduates, Mr. Gorg and Mr. Greeley found that the two highest were separated by only one-tenth of a grade point.

"Highest on the list was none other than ARNOLD KAN, who had an almost-perfect One average, and thus becomes Valedictorian of the class. Only slightly behind him was ROBERT TEEVIN, who will be Salutatorian.

These two students will participate in the graduation exercises by giving short talks. They are to be highly commended for their excellent scholarship.

Both boys have been active in school affairs this year. Arnold is a member of Jr. Hi-Y, played basketball, is a Letterman, has been a member of the Bugle and Barometer staffs, and is on the Annual staff. In addition to this, he is president of the Booster Club, and is well liked by his fellow students, and his teachers.

Bob is also a member of Jr. Hi-Y, and is president of the Lettermen's Association. He played on the varsity in football, basketball and baseball; was a member of the Bugle staff, and is Editor of the Annual; played in the Band; and in general took a very active part in all school affairs. He is also well-liked by everyone, and is well known for his sense of fair-play, and his athletic ability.

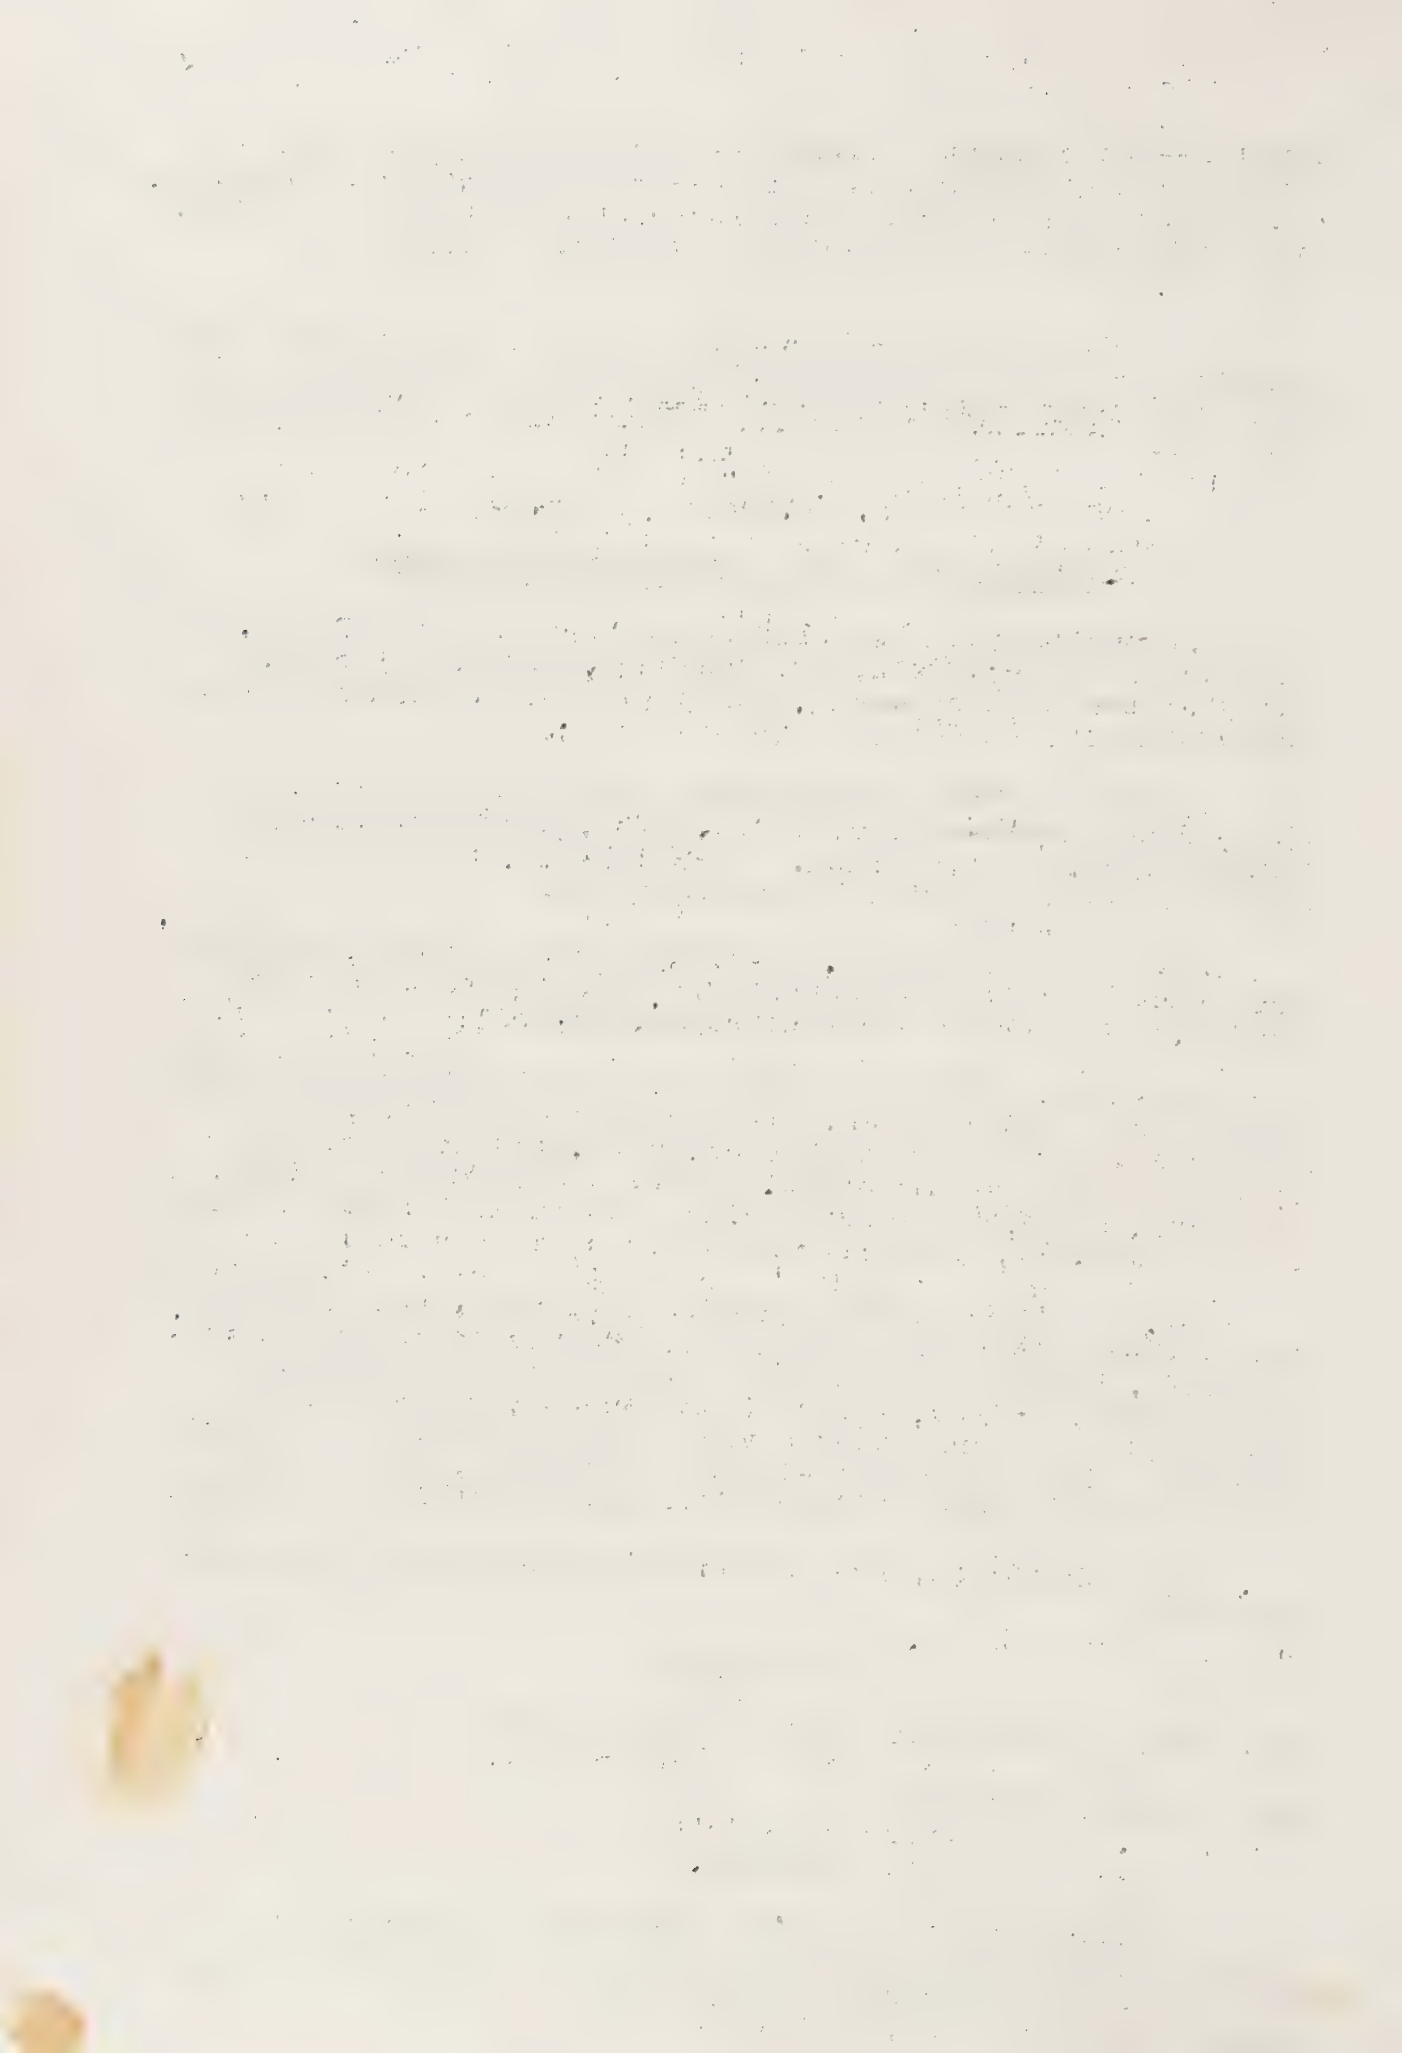

To both of you, from all the school, we say congratulations!

))))*((((

Mr. Gorg: "What does "inspiration" mean?"

Joe Fisher: "Sweat."

We hear that some of the Lettermen persuaded Mr. Harrod to take them up to Portland to see the Beaver play baseball. Their presence didn't seem to help the Beavers, though--- they lost, as usual.

Who are the people in our school that have consistently been good citizens, and who have contributed unselfishly to the good name of our school? After careful consideration, THE BUGLE presents its own

WHO'S WHO IN SEASIDE CENTRAL

JERRY PATTISON is on the Annual Staff and Barometer Staff; was on the honor roll all year; is chaplain of the Jr. Hi-Y; member of the school band.

JIMMY WOO this is Jimmy's first year in America, and since his arrival from China he has fit very well into the life of this school and this country; he has done fine work scholastically, and is well-liked.

ROBERT HARROD played football, basketball and baseball; member of the Annual Staff; member of the Lettermen's Club and Jr. HI-Y; plays in the band; is president of Eight-one.

Of course, there were many others who contributed in one way or another to the success of this school year; the above-mentioned, we feel, have been outstanding in the various activities, and deserve special mention. Since we are only human, we have no doubt left out someone here and there who should have been mentioned.

Our congratulations to those of you who are on this "Roll of Honor"! We know that in future years you will continue to be good citizens of our country.

What's been going on around here.....

ORGANIZATIONS

During the past school year several new organizations have come into existence in our school. The first of these, and the one with the largest membership, is the Booster Club, known officially as the "Sandflea Pep Club".

The booster club was born on October 6, 1948, in room twelve, at an organization meeting. At this time Arnold Kan was elected President; Mike Manion, Vice-Pres.; Bev Guillume, Secretary; and Janet Pate, Treasurer. Membership fee is \$1.00, and this also admits members to all athletic contests and other social affairs of the club.

We held our "Big Party" on Saturday, Oct. 30, in the gym. It was a costume Halloween party. Prizes were awarded and a dance followed the games.

The Booster Club also elected cheer leaders for the school year, three from the seventh and three from the eighth grades. The seventh graders are Mary Black, Geraldine Sabey, and Doris Bradburn; the eighth graders are Lynn Luthe, Carla Henry, and VeDa Dehner. These girls did a fine job this year, and caused considerable comment wherever we played, especially at the state tourney at Hill Military.

The booster club presented the school with a trophy for the outstanding player on the basketball team each year. The player who had his name engraved on it this year is Vernon Nelson, captain of the team. He also received a small replica of the large trophy for himself.

The booster club contributed many interesting things to the school year, and we believe that the club will continue on through the years.

The second new organization to see the light of day is the Lettermen's association, which came into being on February 2, 1949. At the first meeting, Bob Teevin was elected President, Vernon Nelson, Vice-president, and Mike Manion, Business Manager.

Charter Members of the association were Dick Brown, Don Wilson, Bob Everett, Leonard O'Leary, Rob Teevin, Mike Manion, Jerry Smith, Jim Hilliker, Billy Haskins, Vernon Nelson, and Gary Boss. A constitution and by-laws were adopted, and new members were admitted as they earned their letters, fifteen points in football, basketball or baseball being required for a letter. The club now boasts 22 members, and has sponsored such things as the monthly "Bugle", (which led to the publication of this Annual), promoted the May Queen contest; and in general has tried to act as a genuine help to the school in all ways.

Two honorary members have been admitted. Mr. William Manion, Mike's genial Irish father, practically ran a taxi for the basketball team this winter, and spent considerable time and money on members of the team. Accordingly, he was voted honorary membership in March of this year.

ORGANIZATIONS (Continued)

The other honorary member of the Lettermen's Club is a girl -- Miss Carla Henry, who was one of the cheer leaders this year, and ALSO is the only girl in school to have played on a varsity team. Yes, Carla pitched four innings against Warrenton in a baseball game in May, and retired at the end of the fourth with the score all tied up at 19-19. She was nervous the first inning, allowing 12 runs, but settled down after that and really pitched some goo baseball. So she was voted a membership card and a letter.

Final social event of the year for the Lettermen's Association was a banquet at the Church, for members, their parents, and the cheer leaders. It was a huge success, and the mothers of the lettermen really worked hard to put it over. Movies were shown after the dinner by Coach Phil Greeley, the Lettermen's advisor.

Probably the oldest organization in school, both from a local and national standpoint, is the Jr. HI-Y, sponsored by Mr. Schlappi. This organization has been very active this year, selling candy and coke at games, and at noon, and in general promoting good citizenship in our school community.

Officers this year are Ray Ward, Pres., Bob Teevin, V. Pres., Sec. Arnold Han, and Treasurer, Hugh Kerwin.

Next year's seventh graders.....

SIXTH GRADE ACTIVITIES

In the study of Mexico and South America, the sixth grade has learned a number of words and expressions from the Spanish language. They also studied Aztec architecture and pottery, and made examples of the Indians art in modeling clay.

The sixth grade boys have played many baseball games with the fifth grade. Usually the fifth grade is the winner.

Jean Frame was second place winner in Class II of the Poppy Poster contest.

Just a week of school left as we go to press, and things are really piling up. The teachers have been having social events taking place, too. Mrs. Clark is now Mrs. Brallier, and will soon be going to live in Vancouver. Mr. and Mrs. Gorg had a blessed event on May 16th, when they became the proud parents of a baby boy, Philip Rodney Gorg. Congratulations to all of you!!

Shades of 1923!!!

FIRST GRADUATING CLASS

May 23, 1923 was an important day in the lives of fifty young people in Seaside, and we wonder how many of them feel a certain nostalgia when they read of the annual graduation exercises at Seaside Central. Yes, we are speaking of the FIRST class to graduate from these hallowed halls, and we, the LAST class to graduate, salute them!

It was our thought that it would be interesting to find out what had happened to all of them, but time and space prohibit that -- so we'll just give you a list of them, and see how many of them you recognize:

Dorothy Johnson, Emma Perkins, Myrtle Johnson, Alta Mae Ruthrauff, Mary Haley, Lenore Sundquist, Stella Keeler, Angeline Olsen, Florence Lassila, Ena Kari, Sofie Lassila, Kathryn Moore, Mabel Nichols, Saretta Jenkinson, Hazel Nichols, Illa Niemi, Eureka Olsen, Dorothy Lewis, Dorothy Prouty, Ruth Prouty, Marjorie Stafford, Nellie Conn, Vada Spath, Lousie Short, Marie Sutherland, Phyllis Judge, Gertrude Vollans, Bernard Grafton, Maud Olson, Walter Fix, Edwin Hensala, Leslie Bodenhamer, Willard Livermore, Walter Olson, Clarence Owen, Emil Leppla, Charles Smith, Ivor Welsh, Orville Gaskell, Vern Welch, Raymond Niemi, Vere Alderman, Wallace Johnson, Leslie Hutchinson, Fred Myers, Theodore Hostikka, Bert Lafferty, Clarence Barrett, Mason Hall, and Bruce Edwards.

Just for the record, the School Board at that time consisted of R.O. Ralston, Chairman; A.M. Jobson, S.A. Young, and Fred W. Otto, clerk.

There you have it. Hm-m-m... wonder where they all are now???

Who will it be???

AMERICAN LEGION AND AM. LEGION AUXILIARY AWARDS

As the hour of graduation grows nearer and nearer, one question that everyone is asking is "Who will win the American Legion Citizenship Awards?"

These awards, presented annually, are given to the boy and girl judged to be the outstanding school citizens of our community, and it is a high honor indeed to be selected. This year there are several students who deserve, and will get, consideration for the coveted prizes.

Since this Annual comes out before the awards are made, we couldn't divulge the winners even if we knew. SO..... we'll just say "Congratulations!" to whoever you may be--- we know you deserved it!

SPORTS

FOOTBALL

Central opened its season with a win over L and C by a score of 24-12. Brown and O'Leary crossed the line with long runs when Brown returned a punt and ran 80 yards for a touchdown. Later O'Leary intercepted a pass for a 65-yard dash to add to the score.

We traveled to Rockwood in Portland and won 18-6. The first two games were touch tackle.

Our last game was tackle when we met the Freshmen and were beaten 6-0 in a very close game--which ended our season.

BASKETBALL

We are all proud of our basketball team. We played 16 games in division play and were unbeaten, thus winning the division championship. L and C of Astoria defeated us in a non-league game, 40-26, but the loss was made up for in a return game when we won 32-7. This win entitled us to enter the State Tournament at Hill Military. Central came through with second place after two close shaves in which we won by only one point and then lost to Marshfield 39-38. When the team returned from Hill, they had to play the County Tournament, and again came up with second place when we had a little bad luck in the championship game and lost 28-27.

Central played 24 games during the season, 21 of which they won and lost only 3. They scored 857 points to opponents 411 points, with an average of $35\frac{1}{2}$ points per game to 17 for opponents.

We got off to a terrific start in Baseball. Our first game was with Warrenton, and was played on Seaside's field. We won 16-2, O'Leary pitching a no-hitter. The second game at Warrenton we again won by 14-6.

We then had Warrenton come back and play another game with us at the park. This time we used a girl pitcher, Carla Henry, who pitched 4 full innings. Then Charles Moshier went in and pitched 1 inning until the fifth, when the game was called by Warrenton because it was getting late and they had to get home and the game was tied at 19-19. Mr. Greeley is the Baseball Coach.

Seaside junior high school thinclads defeated the Warrenton trackmen by a 58½ to 23½ score in a dual track meet on the Seaside high school field on May 20, 1949.

Vernon Nelson captured individual honors as he collected a 20 point total by winning the 100 and 220 yard dashes and the high and broad jump, as well as participating on the winning relay team.

Nelson won half of the eight events in the track meet.

The Seaside team won the top spot in all eight events. Points were awarded on a five points for first place, three points for second, two for third and one for fourth basis.

Rod Gorg coached the Seaside thinclads and Cy Williamson was mentor for the Warrenton crew. D. Carpenter was timer for the events and Phil Greeley officiated at the starting posts.

The marble playoff was divided into two groups, class "B" for boys six to twelve years and class "A" for boys 13 to 15 years old.

Jimmy Nevitt, fifth grade champ, defeated Fred Mateucci, fourth grade champ. Gene Henry, sixth grade champ, won over Richard Miller of the seventh grade. Henry defeated Nevitt to gain the Seaside Class "A" championship.

In class "B" Albert Horn won the honors by dropping Jimmy Seavers of the Seventh grade.

The two Seaside champs went to the young Oregonians state marble tournament at Jantzen beach park in Portland May 14, 1949, where they were defeated.

The playoff was sponsored by the veterans of Foreign Wars, with Jim Gibson in charge. Mr. Schlappi was the faculty advisor for the tournament.

In addition to the usual calisthenics and military marching in boys physical education class this year, many different types of games were played, including touch football, basketball, softball and baseball, volleyball, soccer, kickball boxing, wrestling, etc.

NEWS ABOUT SCIENCE

Science classes in the seventh and eighth grades during the past year have given a general picture of many different fields of science. The seventh grade begins with a study of how scientists work and think. Then came units on heating and cooling, and introduction to chemistry, the use and control of fire, magnets, and several units about plants and animals.

The eighth grade work included units on astronomy, the earth's surface, the control of heat, weather, the human body, the force of gravity, the use of energy, and growth and reproduction of plants and animals.

These units were intended to give a general introduction to the more complete study of science in high school.

Miss Tellian's fourth grade Science class has been very active this year; having visited two dairys.

In studying the age of fish they took a trip to the aquarium. They have drawn murals of the different ages of animals such as "The Age of Fish", "The Age of Birds", "The Age of Mammals", and the "Age of Reptiles".

Their collection of animals consisted of a rabbit, tadpoles, frogs and toads, guinea pigs, love birds, a bantam hen and others. They now have a canary. When studying in machines they visited the train. They have completed as many experiments as time would allow.

A word of appreciation.....

FROM THE COACH

As I am writing this there are five school days remaining in what has been an interesting school year. Although the object of school is primarily to teach us the three "R's", we feel that there are some things that should accompany the classroom work, to teach us how to live with others ----- and some things "just for fun".

Looking back, we wonder how much has been accomplished this year. And, while we aren't taking this particular time and space to point out the individual achievements of any one person or group, we somehow feel that life around Central has, for the most part, been pleasant this year --- and that at the same time, we have learned a few things.

Be that as it may, I would like to say a heartfelt "Thanks!" to all of you who have cooperated so unselfishly in all activities. And the very best of good luck to you all!
..... Phil Greeley

In our physical education period we have five minutes of exercises; then we have some kind of sport.

In our exercises we have such stunts as treadmill, stork stand, push ups, trunk flexion, ankle flexion, left foot jump, right foot jump, pull ups, curl ups, tipups, and marching. Usually someone is chosen to lead these exercises.

After we have our exercises we play some of the following games: volleyball, basketball, baseball, dodgeball and many others.

At the beginning, midterm, and end of the year we had tests consisting of many exercises. These are required by the State Department of Education.

The junior high school girls have enjoyed this year's work in physical education, taught by Mrs. John Brallier.

From Merrie England.....

OUR EXCHANGE TEACHER, MRS. TAYLOR

Our English teacher, Mrs. Taylor, who has taught the fourth grade here all year, is returning to England.

She is going by bus by way of the deep South. Two of her stopovers will be San Francisco and Hollywood, Calif. In Hollywood she is going to visit her cousin, James Hilton, who is a famous writer. He wrote many best sellers, including "Goodbye, Mr. Chips", and "Lost Horizon".

After her visits in California, Mrs. Taylor will go to New York, and there board the "Queen Elizabeth", on June 15.

In regard to her year here at Seaside Mrs. Taylor said, "I enjoyed Seaside very much, and I hope to return one day".

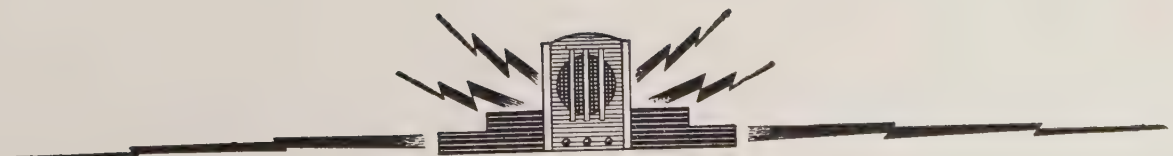

Mrs. Taylor has won for herself a warm place in the hearts of the students, parents, and faculty. We all hate to see her leave, and to you Mrs. Taylor, from the whole school we wish you good luck, and "Bon Voyage!"

MUSIC

MUSIC IN THE JUNIOR HIGH

This year Mr. Rodney Gorg, the Junior High music director, has organized a band. This was a slow process due to lack of previous musical training on the part of the students. However, his efforts began reflecting around the middle of March, for at that time the boys had the idea of rhythm, harmony, and knowledge of their instruments.

Even though only two at the beginning of the year could read music, twenty-five played their first engagement at the Parent-Teachers meeting in March. Since then we have had engagements several times in combination with the Girls Glee Club.

It is with great pleasure that we mention the Glee Club. It is the belief of some people that it is one of the best to have ever been in this school.

The Glee Club sang at many different occasions this year; first, the Thanksgiving program, secondly at the Community Methodist Church in a concert with the Eugene High School String Orchestra. Our third engagement was at the P.T.A. meeting in March, and finally during National Music Week together with the band we sang for the Eastern Star, Kiwanis, Womens League, and in our program at Central School.

This is really the first year that a directed effort has been made for a good music curriculum, and the results have been very worthwhile. Mr. Gorg is to be commended for his fine work, which all of us feel has been outstanding.

Members of the Band this year were David Hanson, Bob Mullen, Alan Johnston, Walter Coulson, Don Duerfeldt, Mary Black, Larry Hurst, Mike Hanson, Jerry Pattison, Jack Niemi, Gary Ross, Jim Milliker, Don Wilson, Orvie Jensen, Bob Fesler, Jim Seavers, Dick Brown, Robert Everett, Lawrence Mehelis, Bob Harrod, Bob Teevin, Mike Harraschou, and Jim Pearce.

Members of the Girls Glee Club were Bev Guillaume, Muri Sarpola, Loretta O'Leary, Corlyss McCullough, Vivian Sommerfelt, Lynn Muth, Patty Harrow, Roberta Linquist, Beverly Coen, Mary Black, Phyllis Lloyd, Darhle Wilder, Pat Crawford, Doris Bradburn, Joyce Dotson, Shirley Patterson, Shirley McVey, Janet Smith, Janet Pate, Betty Wascher, Eva Carlson, Geraldine Sabey, Wanda Dickerman, Nancy Crandell, Rose Ann Hodson, Eve Berry, Carla Henry, Bernice Boyd, Verone Niemi, Inez McNamara, Gloria Seavers, Roberta Niemi, Veda Dehner, and Marilyn May.

It has been an enjoyable year for all of those who have been active in music, and we all feel that we have learned a lot.

MUSIC IN GRADES ONE TO SIX

This year the Christmas Program was put on by the lower grades. Their director was Miss E. Furney. Selections included all the traditional Christmas Carols, and a large audience enjoyed the program.

The Washington Day program was given by grades four, five and six. Selections were "The Great Adventurer", "Oregon State Song", "America", "Lincoln", and "Faith of our Fathers".

The Music Week program was put on by the whole school. Some selections were "Good Morning Merry Sunshine", first grade; "My Tiny Two Wheel Scooter", "My Little Toy Boat", second grade; "Spring", third grade; and many other selections.

The Girls Glee Club and Boys Band were also in the program, giving several numbers. The auditorium was completely filled, and the audience thoroughly enjoyed the fine program.

.....Lorraine Krieger

A WORD FROM THE MUSIC DIRECTOR

It has been my pleasure to be associated with Central School in the capacity of band and girls glee club director. I feel that we have had a successful year in both organizations.

Admittedly the band was slow in the beginning, but made marvelous progress. We lose a number of eighth graders, but this year's seventh grade nucleus will be strong next year.

The work of the Band has made me happy due to the reflection it has had on the lower grade students. Many from the first on up have said they enjoyed the Band and have said they would be in the Band when they reached Jr. High. Keep going boys, let's keep up the good work.

The Girls Glee Club have made quite a name for themselves, and the school. We have used numbers this year few Jr. High Glee Clubs could master. Again, we lose many eighth graders, but next year we expect to have help from this year's sixth graders.

I would like to say thanks for a fine year, people. I'm proud of your good work!

LETTERMEN ELECT OFFICERS
FOR 1949-50

On Friday, May 20, 1949, the Lettermen's Association met in the auditorium for the purpose of electing new officers for next school year. Voting was by secret ballot, with two candidates nominated for each office.

Results of the election were as follows:

President -----	Billy Haskins
V. President -----	Tom Peterson
Business Mgr. -----	Rod Neitzel
Sergeant-at-Arms -----	Gary Foss

These fellows are all seventh graders, and will carry on the work and activities of the Lettermen's Association next year.

GRADUATION PLANS

Although all graduation plans are not quite complete at this time, we do have enough information to give you the principal events on the program.

The speaker will be Prof John W. Berry, Associate professor of Sociology, Pacific University, and his subject will be "People Who Grow Up". The invocation will be given by Rev. Paul Funk, local minister. There will also be several musical selections, and a salutatory and valedictory address by the two eight graders with the highest scholastic averages.

Diplomas will be presented by Mr. Vernon Y. Davis, chairman of the school board. The program will begin at eight o'clock in the evening, on Wednesday, June 1, 1949, in the school auditorium.

CORRECTION!!!

When we printed the names of the members of the Band, we omitted the names of Jerry Lawson and Verilyn Bullok. Very Sorry!!!

Dear Corky, Salem, Oregon
May 19, 1958

I've been meaning to write for a long time, but just haven't gotten around to it. Bob has been made mayor of Salem. He went to Portland about two weeks ago. While he was there I went and visited the grade school at Seaside.

Vernon Nelson is teaching boys gym there, and Vivian Sommerfelt is teaching girls gym. Arnold Han is Superintendent. Orvie Jensen and Ronald Knapp are janitors.

The Bailey circus was in town last week. I finally got Bob to take me. Jerry Smith is the lion trainer. Gloria is one of the stunt actors. Don and she do a wonderful act. Carla and Virginia are bareback riders. Stuart is the barker.

I understand Marilyn May had a nervous breakdown. I sure am sorry. I wonder how she and Wilbur are getting along.

Hiko Manion and Bob Teevin are starting a business,

(Continued on next page)

so I understand. I think they are lawyers. Most likely taking David Hanson and Jerry Pattison's places.

Verone Niemi and her cousins, Roberta and Janet, had a triple wedding a month ago. I went to it. Rosemary, Joan, Charles and Robert Everett were there too.

Lynn and Stanley have a dancing school. I took a lesson from them. Some of the hired teachers are Tommy, Lelan, Jean, and Jacqueline.

Shirley McVey is manager of the Portland Bloomer (a baseball team). Loretta, Bev, Mary, Alice and Bernice are on the team. Speaking of baseball, Leonard has his own team, called the Crown 'n' Woodchucks. Nickie is assistant manager.

I went to Hammond and saw Jack Layton's bear farm. Jake Webb is co-owner. Eve Berry is now singing in a night club. VeDa and Jim Milliker own a night club called "The Club Hangover". In the chorus lineup are Greta, Inez, Patty and Burl.

Bob Harrod owns a cafeteria in Portland. Richard and Robert Grafton are dishwashers.

I went swimming while I was in Seaside. Alan Johnston owns the tank. Gary Cross is the lifeguard. Arvid Shaw was in the tank too.

How are you and Dickie getting along. I saw Philip and his wife in the show Saturday evening. I saw "The Fly and I". It had Joe Fisher as the fly. Dean, Dick E., Jess, and Jimmy are on the police force.

Well, I'll have to put Bob Jr. to bed. How is Leonard Jr. and Patty? Tell them hello for me.

Sincerely,

Lorraine K.

RECOGNITION AND TAG DAY

On Tuesday, May 31, 1949, something a little different in "Class Days" will take place at Central. Each person in the Eighth Grade who has taken part in certain activities, such as sports, music, etc., will be "tagged" with a label with his or her name on it, sometime during the day. Tagging will be done by Jr. High teachers. Then, in the afternoon, an assembly will be held to "recognize" these people.

Tagging will take place in the afternoon. In the morning, Eighth Graders will take part in "Kid Day", at which time they will dress (and act) like first graders. Then, at noon, they will again become sober graduates, for "Tag Day".

What "Will" you have???

ANOTHER TROPHY

Before we forget it the trophy that the basketball team won for the County League Championship arrived last week, and is now in the trophy case.

THE SUPERINTENDENT SPEAKS.....

The past year has been a most eventful one in the history of the Seaside Elementary District.

In April, 1948, an exchange of teachers was arranged with the British government by which Mrs. Josephine Young was assigned to a position in Devonshire, while the teacher there, Mrs. Eveline Taylor came into our system for a year. We have been most happy with Mrs. Taylor, and the type of work she has presented in her Social Study classes.

Our music has been outstanding. Mr. Rodney Gorg with his Band and Glee Club have done much to advertise our school, and what is more, develop a real and vital interest in the best types of music. In the lower grades, Mrs. Adams and Miss Furney have taught their children to sing and to love good music.

Our Physical Education Program has been based upon the premise that it is the place of the school to develop strong and healthy boys and girls. Practicing this, every student in the upper grades has been given some form of exercise suitable to his needs. Mr. Greeley has handled Boy's Health and Physical Education. Mrs. Dorothy Brallier has been in charge of the girls. Both of these instructors have specialized in their lines, and results have been most evident.

With practically all of our present staff of instructors returning, with a new Junior High building and a high enthusiasm to make the Seaside schools better even than before, we predict that 1949-50 will be the best yet!

.....S.W. Babcock, Supt.

Sidelights on the year's activities.....

In Social Studies this year we were discussing amendments. We learned that to amend means to change. We also found that the Bill of Rights contains the first ten amendments in it. The day after Mr. Gorg's baby was born he mentioned that he was going home to his "Bill of Rights". Why? asked several members of the class. Mr. Gorg answered "I'm going home to the first ten changes!"

One day Nickie Vedick had a headache. Mr. Gorg asked him what was wrong. Nickie said "Got a headache". Everyone was quiet and then Gary Cross said, "Take an anacin".

))))(((

Some of the people in Eight-one were a little worried the other day when Mr. Greeley walked in carrying a revolver. It wasn't as bad as it sounds, though --- he used it to fire blanks for starting the runners at the track meet.

LEST WE FORGET

During the school year several people moved away from Seaside, and now at graduation time we remember them, and wish they could have remained with us, for this important event in our lives.

Carol Lorensen was with us the first part of the year, and moved to Portland. She was a good student, and well liked. Alan Henderson had been with us since the sixth grade, and was here most of the year before moving to Portland. Al was well liked, and we called him "Gramps" after he played that part in a play. Rod McClean was here about half the year. He played football and was also quite an artist, and a Boy Scout. Bob McNeil, one of the popular members of our class, left for Gearhart in March. He was an honor student, and a Boy Scout. Mary Wilfore stayed with us until late winter. She was a very quiet girl, and a good student. Erla Cline was only with us a short time this year, and had been a student here one other time. She was a member of the glee club. Lora Bowen was here such a short time we didn't find out much about her.by Mike Manion

We proudly present. . . .

Supt. S. W. Babcock

I am sure that in later years when we recall our days at Central we will also remember Supt. S. W. Babcock, who for many years has guided the destinies of this institution.

Mr. Babcock was born in Minneapolis, and at the age of thirteen he came to McMinnville, Ore., where he attended public School.

Later he went to college, and then taught in a small rural school in Prineville. Following four years of teaching there, he came to Seaside, in 1923.

He is a graduate of Oregon Collage of Education and Linfield, where he received his B.S. degree and a Fifth Year in Education.

His wife is the former Elizabeth Lawson, and they have one daughter, Mrs. A. G. Closterman, recently returned from China with her husband, Capt. A. G. Closterman.

If it was Mr. Babcock's ambition to become a teacher, administrator, a leader in the education of children, and a prominent citizen of our town, his ambition has certainly been fulfilled.
